WHO WE ARE

STMA Robotics is a 501(c)(3) non-profit inspiring **125+ students** (grades 1-12) in Science, Technology, Engineering and Math (STEM) through hands-on robotics

**FIRST
LEGO
LEAGUE**

Grades 1-6

**FIRST
TECH
CHALLENGE**

Grades 7-12

**FIRST
ROBOTICS
COMPETITION**

Grades 9-12

WORLD-CLASS RESULTS

Our *FIRST* Robotics Competition team achieved an impressive 2nd **in the State** and competed at the **World Championship!**

4 of 10 *FIRST* Tech Challenge teams **competed at State**

IMPACT THROUGH PARTNERSHIP

Your support directly impacts all STMA Robotics programs, nurturing student growth in STEM

100% SELF-FUNDED

Nearly half of our ~\$150,000 annual expenses are paid by sponsors, directly reducing the cost and fundraising needs for families

Expenses include competition fees, robot supplies, coaching, and travel

We receive no school district funding

PARTNER WITH US

Your sponsorship powers our program!

Sponsors are featured on our **FRC pit display** at competitions and outreach events

Top sponsors are showcased directly on our FRC team **robot!**
